

St Patrick's Primary School Supervision of Students Information for Parents

A yard duty roster has been developed and teachers are will be present in the yard and will constantly patrol all areas of the school during break times.

Before school:

Staff supervise the grounds and playgrounds from 8.30am.

After School

After school duty requires teachers to supervise children in the yard and be present while children get on the bus. This duty ends when a bell sounds at 3.45 pm. Any students still on the school property are then directed to the school foyer, from where parents will be contacted.

No formal supervision of the playground/grounds occurs outside those hours.

Students will only be supervised while getting off the bus in the morning and while waiting and getting on the bus in the afternoon.

This information will be communicated to parents at the beginning of the year, reminders in the school newsletter at regular intervals and in the Parent Handbook.
